Every year St Peter's Church gives at least £3,000 in donations to different charities – half of these are local and half are working overseas. Find out more about these charities and the work that they do over the next few weeks in the Weekly News.

Artizan International (originally named *Craft Aid International*) was founded in 2013 by Susie Hart MBE. Susie started **Artizan International** on returning to Harrogate after 10 years of life

ARTIZAN
INTERNATIONAL

and work in Tanzania, where she set up a social enterprise called *Neema Crafts* that provides training and employment for people with disabilities, all of whom are now able to support themselves and their families with dignity and pride.

Susie set up the registered charity **Artizan International** to pass on this model to other developing countries where people with disabilities are still living in poverty. She also found that differently-able people in the UK are often very socially

isolated, so the charity started running weekly therapeutic crafts sessions for adults with disabilities in Harrogate and Leeds.

In **Peru**, there are now three projects: a therapeutic crafts workshop for a large group of people with learning disabilities run by local volunteers; a social enterprise providing training in jewellery making and textiles; and a therapeutic crafts workshop in a home run by the local Anglican Church. In **Ecuador** the charity runs a training and social enterprise, making paper from banana leaves and recycled paper. The beautiful paper and cards they make (*seen here*) are sold locally and through Fair Trade shops in the UK. To find out more about these and other projects, or to donate, please visit www.artizaninternational.org.

St Peter's Evening Fellowship:

The lighter side of the law

The next meeting of St Peter's Evening Fellowship is on Thursday 1st August at 7:30 pm in the Brostoff Hall. The speaker will be His Honour Judge Derek Clarkson QC with his recollections and anecdotes from the legal world. Find out about Justice Charles John Darling, of whom it was said '*Unfortunately, in charges of less gravity he often allowed himself to behave with a levity quite unsuited to the trial of a criminal case*'.

The Knitter's Yarn Community Knitting Group

A social knitting group meets at St Peter's to knit much needed items for various charities. The next meeting is tomorrow Monday 29th July from 10:00 am – 12:00 pm in the Brostoff Hall. Please bring your own needles and yarn. Anyone wishing to learn to knit will be welcome as there will be someone on hand to help get you started. The cost of £2.50 includes tea, coffee and biscuits.

St Peter's Afternoon Fellowship meets on the second Monday of the month from 2:00 – 4:00 pm at Gillian Taylor's home. There is usually a speaker, or sometimes an outing, and always a delicious afternoon tea. Please contact Gillian if you would like to come to the next meeting in September on 01423 500482.

Are you an Idler? A question from Zero Carbon Harrogate

Local air pollution is a major risk to human health and has been shown to cause or exacerbate a wide variety of illnesses ranging from itchy eyes, to eczema, lung disease and even cancer. It is a particular concern for children's health as it can stunt lung growth and affect lung capacity. Unfortunately, local air pollution is far worse in Britain's towns and cities than elsewhere in Europe.

Exhaust emissions caused by leaving a car engine running whilst stationary are among the most significant causes of local air pollution and this is especially worrisome outside

schools and hospitals as well as in town centres and near main roads.

Zero Carbon Harrogate, a group of local residents supporting the development of a low carbon sustainable economy in the District, is leading a local **No Idling** campaign to encourage motorists to switch off their engines when stationary to help reduce pollution and improve health. Other towns and cities up and down the country are embracing this same type of campaign. Volunteers are liaising with local schools and parents, with hospitals and members of the public in the District to spread the message that idling is *fuelish* (it wastes petrol) as well as being a hazard to health. For more on the campaign go to the Zero Carbon Harrogate website at zerocarbonharrogate.org.uk/events.

The Collect for the Sixth Sunday after Trinity

Merciful God, you have prepared for those who love you such good things as pass our understanding:
pour into our hearts such love toward you that we, loving you in all things and above all things, may obtain your promises, which exceed all that we can desire;
through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

or

Creator God, you made us all in your image: may we discern you in all that we see, and serve you in all that we do; through Jesus Christ our Lord.

This final pilgrimage starts at 10:00 am from Jervaulx Abbey and continues through the spectacular scenery of the Dales to the ancient Church of St Oswald in Thornton Steward. Lammastide starts on 1st August

Lammas or 'Loaf-mass' (from the Anglo-Saxon *Hlafmaesse*) is an English feast, held on 1st August as a thanksgiving at the start of the wheat harvest. Traditionally, a freshly baked loaf made from the new grain was presented before God in church that day. Why not take this opportunity to thank God for your daily bread and to pray for those who are less fortunate?

THE CLEWER INITIATIVE

A PRAYER FOR THE VICTIMS OF MODERN SLAVERY

Lord of the lost,
we pray today for all those who are victims of modern slavery:
people lured from their homes and families;
people deceived while trying to find a better life;
people who are desperate to trust anyone.
Help us to be more vigilant and watchful;
to be aware of those who may need our help,
and those who do not know where help may lie.

Amen
