## Living Faithfully: Handling Money

*"Hold everything in your hands lightly; otherwise, it hurts when God pries your fingers open"* Corrie ten Boom

There have been some revealing statistics about money in the news recently:

- the higher the income of Britons, the less proportionately they give to charity with the majority giving nothing at all,
- Britons of every income are giving less than five years ago,
- 69% of high earners say they have unhappy personal lives compared to 20% on lower incomes.

Jesus spoke a lot about money; twelve out of thirty-eight parables are about money because Jesus understands the weakness of the human heart and the dangers of not having the right attitude to money.

Putting Jesus first is what he wants, what he expects. Christians down the ages have found that it really matters what we do with our money. When we get this right and give God the first part of our income, not the last, God is faithful to us and fulfils his promise to supply all our needs. Those who give generously will be made spiritually rich, 'treasures in heaven' as Jesus calls it.

Here is a prayer we can use daily over this next week:

*Heavenly father, thank you for giving me life and everything I have been provided with. Please guide my thoughts and how I use my time, my talents and the money I have in ways that are in accordance with your will. Amen*

Steve Jones

## Coronavirus guidance for parishes issued by Church of England

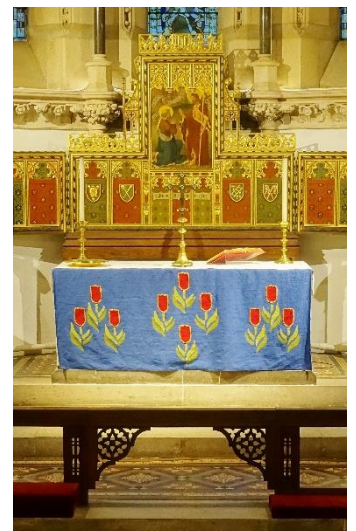

The Church of England's Mission and Public Affairs division has published advice to parishes on practical steps to reduce the risk of infection from Coronavirus (COVID-19). The virus has not been declared a pandemic and at present the risk in this country is assessed as 'moderate'. Churches should already be following best-hygiene practices including, for example, priests and servers washing their hands or using alcohol-based hand-sanitiser before Holy Communion. Although there is not currently Government advice suggesting churches should suspend the use of the Common Cup, parishioners with coughs and sneezes should certainly be encouraged to receive Communion in one kind only and to refrain from handshaking during The Peace. They also advise against the practice of 'intinction' – when the consecrated bread is dipped into the wine - as this could represent an infection transmission route. Please visit the Church of England website for further updates.

## What's in a name?

One of our 'Ladies who Lunch' had seen a church dedicated to **St Mary the Less** and asked me if I knew who this poor forgotten saint was. Most of the 16,500 churches in the Church of England are dedicated to a patron saint, with the most popular dedication being to St Mary (St Peter comes in at third place). So to distinguish between two or more St Mary's in the same area, the smallest church was often called St Mary the Less. All three churches in the Benifice of Allerton Bywater, Kippax and Swillington are dedicated to St Mary – Allerton Bywater is St Mary the Less; Kippax is St Mary the Virgin and Swillington is St Mary!

## New Advent and Lent frontal commissioned

Polly Meynell, one of the UK's top designers of liturgical textiles, has been commissioned by the Parochial Church Council (PCC) to create a new set of textiles for use in Advent and Lent. If you would like to see the design brief or contribute to the cost of the project (a little over £5,000), then please speak with Patricia Stableford, Catherine Medforth, Alan Garrow or Caroline Hodgson. There will be an opportunity for members of the congregation to review Polly's initial design. We look forward to keeping you updated about this exciting project.

## Christian links strengthened during trip to Sri Lanka

The Church of Ceylon, made up of the dioceses of Colombo and Kuranagala in Sri Lanka, is one of several partnerships that the Diocese of Leeds has with other countries. This visit in February, made by members from the Sri Lanka Task Group, is one of many that has taken place since the link began. The group visited Church schools; war-torn Jaffna; Kandy; and one of the churches bombed on Easter Day last year in Colombo. They are holding a special **Sri Lanka Awareness Day** on Saturday 25<sup>th</sup> April at St Mary's Parish Centre, Burley-in-Wharfedale from 10:00 am – 2:00 pm.

**The Collect for the Second Sunday of Lent**

Almighty God, you show to those who are in error the light of your truth that they may return to the way of righteousness: grant to all those who are admitted into the fellowship of Christ's religion, that they may reject those things that are contrary to their profession, and follow all such things as are agreeable to the same; through our Lord Jesus Christ, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

**or**

Almighty God, by the prayer and discipline of Lent may we enter into the mystery of Christ's sufferings, and by following in his Way come to share in his glory; through Jesus Christ our Lord.
