## Celebrating the Harvest

As we celebrate and praise God for providing all we need, we can also stand with those whose harvests are uncertain. Today we will be collecting for the *Christian Aid 2018 Harvest Appeal* – please use the *Christian Aid* envelopes provided and, if you are a UK taxpayer, don't forget to GiftAid. With our support, *Christian Aid* can expand their solar energy initiatives across Ethiopia, Malawi, Burkina Faso and Honduras – and this year, donations are being match-funded 4:1 by the European Union, making a £15 donation worth £75!

**A New St Peter's Church Website: [www.stpetersharrogate.org.uk](http://www.stpetersharrogate.org.uk)**

This week sees the launch of a new St Peter's website – a project contributed to by many members of the St Peter's community. One person I'd like to thank in particular is David Chambers who, with patience and good humour, has turned many and various design requests into this excellent reality. Please visit the site to check those sections that are of particular interest to you – and to enjoy discovering more about other aspects of St Peter's life. If you spot a mistake, please let me know by email at [alan.garrow@gmail.com](mailto:alan.garrow@gmail.com). Also, if your name appears on the site, and you'd be happy to have a direct link to your email, then please let me know.

## Talking Fruit – a collection of poems by Barbara Stone

### The Yorkshire Marrowthon

Each year we organise a special race, for those who travel at a decent pace; so if you are a sprout, lentil or bean or cabbage, or tomato, (red or green); banana, apple, orange, plum or pear, and you can run, we hope to see you there.

Last year it drew the biggest crowd we've seen; the winner was a speedy runner bean.

### Sour Power

Onions have a good, strong smell, cabbages can pong as well; apples have a light perfume, and add delight to any room.

Figs and dates are very sweet, melon's, cooling in the heat; but, only *lemons* have the power to look so sweet and taste so SOUR

## Friends of Valley Gardens turning Japanese?

In the 1930s there was a lovely Japanese Garden by the boating lake in the Valley Gardens, but over the years it had become somewhat lost and forgotten. But, in the past two years, with the help of a Heritage Lottery grant and the expertise of the *Japanese Garden Society*, the *Friends of the Valley Gardens* have worked tirelessly to restore it to its former beauty. The Japanese Ambassador will be coming to officially open the garden on Wednesday 17<sup>th</sup> October and unveil a boulder carved with its new name – *Shijima no niwa* or *Garden of Serenity*.

The *Friends of the Valley Gardens* are also holding a **Sogetsu Ikebana Demonstration** by expert Deborah Hathorn at Ashville College on Thursday 18<sup>th</sup> October at 7:30 pm. ## Fields of mud, seeds of hope

Wet earth from Passchendaele has been used by local artists to make an artwork to commemorate the centenary of the end of the First World War and will be on display at Ripon Cathedral until 14<sup>th</sup> November. As it dries out cracks will appear revealing five battle weary soldiers and deep within the piece are millions of poppy seeds to represent hope and the resilience of life. Pieces of the work will be planted in gardens afterwards, so the poppy flowers will one day bloom.

Refreshments are served after each of our Sunday morning services from the kitchen area at the front of Church. Please come and join us.
