## An interview with Sam Corderoy, Director of Harrogate Hub

### What's been happening with the Hub in the last few months?

There has been a huge amount of change since the start of 2020. The biggest thing is that we sold our building on Oxford Street to *Artizan International*, who do amazing work with people who are differently abled. This has meant that we can now focus on helping churches work together more effectively on mission. Since the start of the year we've been involved in town-wide Alpha, co-ordinating churches' responses to the coronavirus and setting up a 24/7 virtual prayer room. We've also formed

a team comprising all the youth leaders from across the churches – there's an exciting eagerness to work together to reach young people in our town.

### How did you get involved in the first place, and what's your role now?

At the start of December, I felt what I can only describe as a calling. I didn't really know anything about The Hub or what it did, but the pull was so strong that I approached the trustees about the potential for a role. It was a real step of faith and I was very nervous. My role now is to network with churches across town so that we can share resources and work together more effectively on mission.

### What are you excited about for the future?

I'm excited about so many things! I know that times are difficult at the moment, but I believe that God uses these things for good. He transforms us in ways we wouldn't have imagined. I'm also very hopeful about the fact that the Acts church grew exponentially even though they had no buildings! I can't help but wonder what God's going to do through his church at this time.

**Gospel** John 20 v 19 - 23

**Epistle** Acts 2 v 1 - 21

*Following on from last week's article about Mental Health Awareness Week, this local Christian charity has been in touch:*

## A plea for help from Wellspring Therapy and Training

In the past you have kindly supported **Wellspring Therapy & Training** the mental health counselling charity based in Starbeck.

With the aid of your enormous generosity, we raised the £1,000,000 we needed to move into our new, fit-for-purpose, premises and the effect has been spectacular. Last year we were able to support more than **700 children, young people and adults suffering from emotional distress.**

Then came the virus, with results that have been predictable. Our income streams have suffered at the very time the demand for our services has soared.

Lockdown has been **devastating** for mental health - bereavement, anxiety, stress, depression, stifling home environment, job insecurity, financial uncertainty - the list goes on and on.

### **We need your help like never before.**

Any gift, small or large, will be a lifesaver. If you can help, please go to the Wellspring website: <http://www.wellspringtherapy.co.uk> and hit the DONATE button.

On the website you will also find a lot more information about Wellspring and how we are responding to the crisis. You can also follow us on Facebook and Twitter.

**Please help if you possibly can.**

**The Collect for Pentecost Sunday**

God, who as at this time taught the hearts of your faithful people by sending to them the light of your Holy Spirit: grant us by the same Spirit to have a right judgement in all things and evermore to rejoice in his holy comfort; through the merits of Christ Jesus our Saviour, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

Holy Spirit, sent by the Father, ignite in us your holy fire; strengthen your children with the gift of faith, revive your Church with the breath of love, and renew the face of the earth, through Jesus Christ our Lord.
