The Nineteenth Sunday after Trinity

St Peter's Church, Cambridge Road, Harrogate, HG1 1PB

## Our Annual Meeting is this Tuesday evening

This year we gather online and in person to: review the past eighteen months; elect new Churchwardens, Deanery Synod Representatives, and Parish Church Council (PCC) members; receive reports and ask questions; and look to the future. For details of the meeting, nomination forms and the AGM booklet, please visit the [Annual Meeting page](#) of the Church website – hard copies are also available on the Welcome Desk in the South Transept.

A 'PCC Tonight' booklet outlining the purpose and remit of PCCs is also available on the Annual Meeting page of the website. A further insight into the work of our PCC may be gained through reviewing the minutes of past meetings also posted on that web page. To stand for election as a Churchwarden, Deanery Synod Representative or a member of the PCC you must have been

a member of the St Peter's Electoral Roll for at least the preceding six months. Notice of nominations prior to the meeting is not legally required - however, because an online election may be necessary, advance notice would be much appreciated.

The Annual Meeting is always an important moment in the life of the local church and this year is no exception. We have a great deal to thank God for at St Peter's and, at the same time, we know very significant challenges lie ahead – both for us as a local church and for the whole wider community we seek to serve. Please pray for St Peter's, and for all those standing for election, and join us as we gather on Tuesday 20<sup>th</sup> October at 7:00 pm in Church and on Zoom.

## Artizan International's new shop is now open

Many volunteers made the mosaic for the new shop counter

One of our partner charities **Artizan International** have faced many challenges this year with COVID-19 impacting both the social and therapeutic art sessions they run for disabled people in Harrogate and Leeds, and also the opening of their new shop on Oxford Street. The lockdown in countries like Ecuador and Peru has made life for their disabled artisans and projects there very difficult, shutting down the supply chain and leaving the charity without the merchandise they needed to open the new shop.

After an appeal on social media for volunteers to help make some of the craft items using fabric designed

and printed by the teams overseas, many local people responded, including members of the *Harrogate Scrubbers* who recently made over 3,000 sets of scrubs for Harrogate Hospital.

If you would like to get involved with supporting the charity, please email [lydia.trezise@artizaninternational.org](mailto:lydia.trezise@artizaninternational.org) - there are plans to open a café soon, so ongoing help is needed. To find out more about the work they do or to make an online purchase visit [www.artizaninternational.org](http://www.artizaninternational.org). or why not pop into their new shop at 39 Oxford Street!

### Safe Spaces launched to offer support to survivors

**Safe Spaces** is a free and independent support service, providing a confidential, personal and safe space for anyone who has been abused through their relationship with either the Church of England, the Church in Wales or the Catholic Church of England and Wales. **Victim Support** have been commissioned to run this service, providing support through their helpline, live-chat service and website. That support is provided for as long as the survivor needs it. This can be advocating for the survivor, giving them support, providing information, understanding individual needs and jointly working on individual support plans.

Visit [www.safespacesenglandandwales.org.uk](http://www.safespacesenglandandwales.org.uk) or call the helpline on 0300 303 1056.

# Sunday 18<sup>th</sup> October is Anti-Slavery Day

Modern slavery is an umbrella term for all forms of slavery, trafficking and exploitation. At the core of this crime is deception. Survivors of modern slavery tell stories of being sold a better life. They are often vulnerable, coming from areas where there is little possibility of work. They are offered a job, a chance to make money and to build a new life for themselves. The job they are offered turns out to be a lie and instead they are forced to work in difficult and degrading conditions, with little or no pay. The threat of violence, to themselves or their families, hangs over them and traps them in their situation.

This could be the reality for 136,000 men, women and children in the UK. Modern slavery knows no borders, and people of all ages and races can be victims.

The COVID-19 pandemic means new dangers are facing those kept in slavery and servitude. There is little doubt that the activity of gang-masters and exploiters will continue but, in a world of restricted movement, what, where and how they operate will change. Fewer of us are out and about and able to spot the signs and report suspicious activity. Some of the sectors we commonly associate with modern slavery and exploitation were shut down during lockdown, which means exploited workers could be dumped, forced further into debt bondage or moved to work elsewhere. Other forms of exploitation will be pushed further behind closed doors.

To find out more, including how to spot the signs of modern slavery and how to report it, visit [www.theclewerinitiative.org](http://www.theclewerinitiative.org).

## COVID-19: EXPECTED IMPACTS ON MODERN SLAVERY & EXPLOITATION

THE CLEWER INITIATIVE

LABOUR	SEX	DOMESTIC SERVITUDE	DEBT & FINANCE	COUNTY LINES & CANNABIS
Shifts in labour - high need in some sectors / shut downs in others.	Overall increase in online exploitation.	Couped up - watched all the time.	Lack of work - increase in debt.	Less movement as transport/ travel restrictions.
Car washes and nail-bars closed - workers dumped.  Increased labour exploitation in agriculture /food supply chain.  Increased labour pressure as no migrant workers.  Increased door to door sellers e.g. loo roll, hand sanitiser.	Increased use of webcams .  Women & girls at risk of being killed or dumped if infected with COVID-19 and too ill to work.	Less chance of escape or call for help.  Possible little or no access to food.  Possible increase in violence, threats, sexual assault.	Easier to scam - stretched welfare system.  Less scrutiny due to pressure on bank & DWP call centres.  More unscrupulous lenders drawing people into sex trade/criminality.	Young people more visible on empty trains/buses.  More young drivers used to deliver drugs.  Rise in cannabis production - less vigilance, more empty student properties.
