## Introducing Our Stepping Stones Service

*Stepping Stones Service will offer all people the stepping stones of faith, that give them firm foundations as they travel through the raging waters of life*

Over the past few weeks those of you with a keen eye while reading the Weekly News will have seen that **Afternoon Church** has disappeared and has now been replaced with a new service called **Stepping Stones Service**.

Our **Stepping Stones Services** aim to engage with all who attend - from the very young to the elderly; from those new to faith to lifelong believers. Our teaching will be focused on Biblical truths, with the aim of giving solid Christian teachings and tools to help them cope with the raging waters of life.

Our time together will continue to be fun and energetic, with fully family engaging worship, where participation with crafts or activities from all people is key. Alongside our worship we want to develop a deeper sense of community within that congregation, which will lead them into deep friendships and support that offers dignity to all.

Ultimately, we want to share the love of God, the dignity that He offers and fellowship to all who come to this service. Here on the right is our starting prayer that encapsulates this.

Chris Clayton, *Curate at St Peter's Church*

*The **Stepping Stones Services** are on Sundays at 4:15 pm. They follow a four week cycle: Celtic Worship, Holy Communion, Crafternoon Church and Service of the Word.*

**We journey through life one step after another.**

**We know how easy it can be to slip, to fall, to become lost.**

**But we know in our hearts that with Jesus as our foundation, we can find our way back, climb up and walk steadily again.**

**This time is for us:**

**To joyfully celebrate the great love that God has for us,  
To seek the truth in scripture,  
And to strengthen our fellowship with each other.**

**Let us begin our journey together.**

**Amen**

## How we can reduce our energy emissions from transport

Harrogate Climate Change Coalition has recently published advice on how we can reduce our carbon emissions from transport – see <https://www.hdccc.info/reducing-emissions-at-home>. Working from home, walking, cycling, using public transport, eco-driving and car-sharing are key ways to reduce your transport-related emissions. For those who have to drive to work, switching to a lower carbon vehicle, such as a plug-in hybrid or fully electric car should reduce your fuel costs and your carbon footprint. When considering a lower carbon vehicle, do consider full lifetime costs. Low carbon vehicles are generally more expensive to buy than petrol or diesel alternatives. If you are considering leasing your vehicle, they may be more cost-effective than conventional cars. Note that from 2030 it will no longer be possible to buy new petrol or diesel cars in the UK. For long journeys consider using the train rather than the car. Minimise your journeys made by flying.

## People living better lives by being given a place to live

**Lifeline Harrogate** is a local charity providing supported housing to people moving on from the *Harrogate Homeless Project*, rehab, prison and sometimes straight off the streets. People become

homeless for a variety of reasons and many never expect to be in this position.

We are continually inspired by the scripture in the book of Isaiah which says:

***My people will live in peaceful dwelling places, in secure homes, in undisturbed places of rest*** - this is our guiding principle.

We have five houses in the Harrogate area with three bedrooms in each so we can look after fifteen residents at any one time. Each resident has their own room key – an important first step to independent living. They really appreciate this. We provide them with all the help they need to get back on their feet – a place they can call home; some training and education; we help them register for a doctor, get a bank account and provide simple home comforts.

### Can you help us by sponsoring a room?

If you would like to help support us in our work and sponsor one of our rooms (just 50p per day) or make a one-off donation, **please contact Ruth Skaife-Clarke at Lifeline Harrogate by email [admin@lifelineharrogate.co.uk](mailto:admin@lifelineharrogate.co.uk) or call 07541 455508.**

You can also find out more about us on our website: [www.lifelineharrogate.co.uk](http://www.lifelineharrogate.co.uk).

### We are stronger together

Join us this Harvest to help more women thrive in the face of crisis. You can still make a donation to the **Christian Aid Harvest Appeal** at St Peter's. There are envelopes available in Church today and in the coming week for your donations – please place them on the collection plate or in the Donations Box by St Mary's Chapel. Thank you!

St Peter's is continuing to give out food **every day** to those in need. Please, when you do your shopping this week, remember to pick up an extra few tins or some toiletries to bring to Church next week to put in the hamper. Thank you!

Refreshments are served after each of our Sunday morning services from

the kitchen area at the front of Church. Please come and join us.
