## The SHINE project in West Bowling, Bradford

When we meet on Sundays we are part of a larger Church meeting everywhere, an international body of Christ. Just an hour's drive from here St Stephen's Church meets in West Bowling, Bradford, one of the most impoverished wards in the UK. On every measure of urban deprivation, West Bowling fares poorly: high drug and alcohol abuse; extreme poverty levels; cared-for children; unemployment; homelessness; and domestic violence.

At St Peter's Church we saw a need and provided food through our work with homelessness. Similarly, St Stephen's saw the hungry and started to feed their many needs and so *SHINE West Bowling* began.

*SHINE's* mission is to work for 'Social, Health, Inner, Natural and Economic wellbeing'. Each week the church building is full of activities including: job club, benefits support, gardening club, creative friends, art and wellbeing, counselling in collaboration with Wellspring, English chat, preschool group, refugee group, children's clothing bank, exercise groups, pop-up pantry, men's addiction recovery group, as well as individual help with issues like housing. The small

team of staff and volunteers work extremely hard to be there for those who have often given up hope. The building buzzes with life, joy and community spirit.

Two of St Peter's Church members help out at *SHINE* regularly: Shaeron Caton Rose works on creative projects and has been a trustee since 2014; while our Churchwarden, Mike Davies, helps with gardening and benefits advice every Wednesday. We would like you to consider if you could give your time or money to help our fellow brothers and sisters as they seek to 'feed the hungry' at *SHINE* in Bradford. Your help would be invaluable, but we can also promise that you will gain so much more than you give.

Shaeron Caton Rose, *Trustee at Shine*, and Mike Davies, *Churchwarden at St Peter's*

## Light a Candle on Tuesday 15<sup>th</sup> October

This year it is on Tuesday 15<sup>th</sup> October from 12:30 – 2:00 pm in St Mary's Chapel. If you cannot come to that event, you are invited to join other families across the world by lighting a candle at 7:00 pm local time and leaving it burning for at least one hour to remember all babies that have died too soon. To join this virtual *Wave of Light*, post a photo of your candle on your socials using **#WaveOfLight**.

## Communion – A loving return to the common cup

As many of you are now aware, two weeks ago we made the decision to return to our normal practice at Communion by discontinuing the practice of intinction - this is the act of dipping the bread into the wine rather than sharing a common cup.

While we understand that this may raise some concerns, research—even dating as far back as 1988—has shown that sharing the common cup poses no significant health risk. In fact, the study concluded that: 'No episode of disease attributable to the shared communion cup has ever been reported.'

Using fortified wine in a silver chalice, along with the use of a linen cloth or purificator, greatly minimizes any risk of cross-infection; and the likelihood of transmission remains lower than other everyday interactions, such as standing in a queue.

In the Church of England, and indeed across the Anglican Communion, the normal practice is to receive Holy Communion in both kinds—bread and wine. While we have delayed this return for some time out of caution, we now feel that it is both safe and appropriate to return to the shared cup, in keeping with church tradition and the guidance of the Diocese of Leeds.

We appreciate your understanding and trust as we make this transition. If you have any questions or concerns, please do not hesitate to reach out to a member of the clergy or one of our Churchwardens. We are here to support one another as we continue to grow in faith and love.
