The first national u3a day is on 2nd June!

Wednesday 2nd June 2021, **u3a day**, is set to celebrate the new experiences that come from being in your third age (no longer in full-time employment or bringing up children). The annual event, which will take place in Volunteer Week on the first Wednesday

in June, will show the amazing and diverse things that **u3a** members get up to and challenge preconceptions of what being an older adult means.

You can find out more about **u3a** in the exhibition in our Glass Foyer this week. A representative from **Harrogate u3a** will be there on Wednesday from 10:30 am – 3:30 pm to answer any questions you might have.

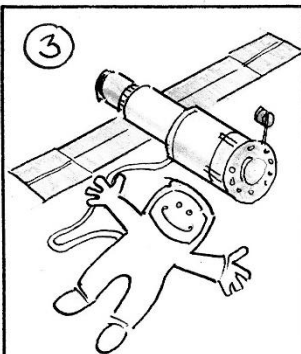

Sophie's Sleepout in aid of *Compassion UK*

Eleven year old Sophie Weare is sleeping out in a tent in her garden for the month of May to raise money for *Compassion UK* - a Christian child sponsorship organisation supporting more than two million children and releasing them from poverty. For the past four years Sophie has been sponsoring a girl of the same age called Aster in Ethiopia through *Compassion UK*. If you would like to donate please visit Sophie's **JustGiving** page: www.justgiving.com/fundraising/sophie-weare.

UK Churches' Relay to COP26 - #RiseToTheMoment

The Young Christian Climate Network (YCCN) are a group of Christians aged 18 to 30 and they are organising a Relay from the G7 in Cornwall (11th – 13th June 2021) to the COP26 UN climate talks in Glasgow which start on 1st November. They are doing this as an act of solidarity and faith, believing that no country should be pushed further into debt because of climate change. Although this relay is organised by young adults, they welcome and encourage participants of any age. However, for safeguarding reasons, children and teens must be accompanied by someone over 18 who takes responsibility for them.

COP26 is a moment of decision and opportunity. Five years ago, 195 countries gave a verbal commitment to limit global warming to 2°C and pursue limiting it to 1.5°C through the Paris Agreement. But this commitment has not yet been converted into sufficient action. This year is a key milestone when countries can choose to increase their commitment over the next five years and take worthwhile action to avoid the worst effects of climate change.

The current route is over 750 miles long and the dates give 139 days, of which 80 – 90 days will be spent walking. The remaining days will be used for residencies and celebrations in prominent locations such as cathedrals, churches and museums in cities across the UK, including York. The relay will pass through our Diocese en route to Glasgow in September. It's an exciting opportunity for people of all ages to raise awareness and raise their voices for climate action. There are lots of opportunities to get involved from walking to route planning, offering accommodation, or engaging your local community. Visit www.yccn.uk/relay to find out more.

St Peter's Parish Walk 2021

Helen Harrison is organising another Parish Walk on Saturday 19th June to celebrate all the amazing things that St Peter's has done this year and to support the ongoing work of our Church. Helen is inviting anyone – individuals, families or groups – to follow all or part of the route on foot, by bike, scooter or pushchair. She will be setting up a **JustGiving** page for donations and gift envelopes will also be available. More information will follow but if anyone would like to join in with this event please contact Helen Harrison (07879 877353 or hfhudy5@gmail.com).

The Collect for Trinity Sunday

Almighty and everlasting God, you have given us your servants grace, by the confession of a true faith, to acknowledge the glory of the eternal Trinity and in the power of the divine majesty to worship the Unity:

keep us steadfast in this faith, that we may evermore be defended from all adversities; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

or

Holy God, faithful and unchanging:

enlarge our minds with the knowledge of your truth, and draw us more deeply into the mystery of your love, that we may truly worship you, Father, Son and Holy Spirit.

Volunteers' Week 2021 is almost here!

Volunteers' Week takes place between 1st – 7th June every year and is a time to recognise and thank volunteers. During an exceptionally difficult year, people from all walks of life around the UK have taken the time to volunteer and made a huge

difference to people and their communities – just as they do every year. Take a look at the Volunteers' Week website - <https://volunteersweek.org/> - to find out how you can get involved.

The Cathedrals Cycle Route launches today!

The 2,000 mile Cathedrals Cycle Route is the invention of academic, entrepreneur and keen cyclist Shaun Cutler, from Northumbria University, and is designed to help us all out of lockdown with opportunities for short cycle rides between all our 42 Anglican cathedrals, forging new partnerships and fundraising for physical and mental well-being charities.

Shaun and a small group of cyclists will launch the route with a relay event, *Cycling With Purpose*, setting out from Newcastle Cathedral (*right*), the most northerly Anglican Cathedral, on Sunday 30th May. The relay will coincide with *The World's Biggest Bike Ride*, marking the opening day of Bike Week (30th May – 5th June 2021), the annual celebration of all things cycling, delivered by Cycling UK.

The second leg takes riders the 55 miles from the stunning cathedral at Durham and ends at our own Ripon Cathedral. The next section is shorter and covers the 35 miles from Ripon to magnificent York Minster. To find out more and to download the route maps visit www.cyclinguk.org/cathedrals-cycle-route-challenge.

World Environment Day: 5th June 2021

World Environment Day 2021 calls for urgent action to revive our damaged ecosystems. These include towns and cities as well as farmlands, grasslands, forests, rivers and lakes, oceans and coasts, peatlands and mountains. Visit www.worldenvironmentday.global to join #GenerationRestoration to help revive and protect our ecosystems.
